Twice in a year

Organizational chart and processes

Nature and Extent of involvement of Faculty and students in academic affairs/ improvements

- Faculty members are also a part of Anti-Ragging committee and Internal Discipline Committee.
- Students and faculty are actively involved in monitoring quality in teaching and learning processes.
- Faculty members are nominated on Board of Governors, Academic Advisory, Curriculum development committees, Examination committee and Discipline committee.
- Faculty and Students play active role in organising placement related activities including Industry round table conferences.
- Faculty members are available for a one on one mentorship of students

Mechanism/ Norms and Procedure for democratic/ good Governance

Preparation of academic calendar based on time frame set by the institution for planning and organizing of activities is done by Time Table co-ordinator Each course has a course co-ordinator who, in consultation with the faculty teaching the subject, sets course objectives, prepares the teaching plan for the semester, conducts meetings with faculty regularly to monitor and review course completion and attainment of course outcomes and submits a report.

- A weekly meeting (every Friday at 4.00 P.M.) is convened to table decisions.

- Any activity being undertaken in the Department would require to be approved at the above meetings before being conducted / implemented / organized.

Student Feedback on Institutional Governance/ Faculty performance

We embrace and value the feedback we receive from students and staff, particularly when it supports our growth of our students. For the Cause we collect feedback from stakeholders. For Curriculum and Co-curriculum improvements, we Analysis the Pedagogy method for easily understands the basic concept of the course objective and outcome and it can be achieved through seminars and Guest lectures. For the benefits of the students we provide Value added course for enhancing the students' technical skill and we conduct soft skill classes to improve the Communication skills of the Students. A self appraisal is prepared by each faculty. The principal intervenes and addresses possible areas for the improvement and evaluates the faculty by motivating them to look at specific areas where growth is needed. Evaluation of all college programmes with the respective stakeholders is conducted. An annual feedback – 'Looking Back to Look Forward' is done with the Faculty. Similarly, a feedback is done with the outgoing Student Council before they leave college

20. Best Practices adopted, if any

Department of MCA has adopted several best practices as a part of its Teaching and Learning Processes. Innovative Teaching and Co-operative Learning, Continuous Evaluation to enhance student competency and make them industry ready, remedial/tutorial classes to enhance problem solving skills in critical subjects, rubrics based evaluation of seminars and project work, seminar on the topics beyond the syllabus by individual students, deputing faculty members to participate in workshops/ conferences, presenting invited talks, participating as a resource person in conferences/workshops/symposiums and project/problem based learning.

Class coordination committees of each class meet once every month to discuss the status of syllabus coverage, continuous evaluation, discipline problems, if any, nonperforming students, students with chronic absenteeism etc. They also take up corrective actions and these are reviewed by the department committee and also by the academic monitoring team. They plan the remedial classes where necessary.
