QUALITY CIRCLE MEETING

STUDENT SUPPORT CELL

Quality Circle involves a group of co-ordinators who work in the same position or department, meeting to discuss, analyze and find solutions for problems related to improving work performance.

The co-ordinators establish a group and come up with some key requirements to ensure the success of the quality circle. The co-ordinators used to interact with the students in a month. . The purpose of the quality circle is to improve total performance and quality of learning.

The quality circle has a leader chosen by the members among themselves to provide direction and control over the group. The members are responsible for identifying problems and finding solutions.

Quality Circle Meeting was organized once in every month to know the problems and difficulties of the students. The students express their views and ideas freely with the Head and the Co-ordinators of the Quality Circle Meeting.
