Webinar On

**"CORPORATE RESPONSE TO GLOBAL CLIMATE CHANGE &  
SUSTAINABILITY"**

**27<sup>th</sup> August 2020**

Our Principal **Dr.S.P.ManikaVasuki**, Annai college of Arts & Science, Kumbakonam has acted as the Resource person for the second session of a Webinar On "Corporate Response to Global Climate Change & Sustainability". Which is organised by the Department of Management Studies, Bon Secours College for Women, Thanjavur on 27<sup>th</sup> August 2020.

In that session She emphasized responsibility of Corporate sector to climate change. She highlighted the importance of emission control system, trade rules, changing weather patterns, changing demand for goods and changing public perceptions.

She explained in a very simple and lucid language the science behind the Climate Change phenomenon and how the history is getting reconstructed by the scientists to have the clear concepts regarding the past climate change facts and figures. She highlighted the following points:

- The rate of change of increase in global mean temperature will be high and in India, it is predicted that increase in temperature may be 5 to 70 C by 2100. This in turn creates more impact on energy demand for cooling system and also health issues due to more dry days.

- Due to global warming, India will face change in rainfall pattern as a climate change impact which in turn brings a difficulty like floods, channelizing the rainwater, etc.
- Due to no uniform rainfall will also lead to no rainfall in some region which causes droughts and water scarcity. Based on these impacts, need to prioritize the action on state policy and planning for the successful implementation of mainstream the policy towards the climate change perspective.

The programme started with prayer song. Dr.T.Sivakami, Assistant Professor, Department of Management, Bon Secours College for Women, Thanjavur welcomed the gathering. The final year students of management studies had the opportunity of taking part in a one day webinar held through Google meet on 27<sup>th</sup>, August, 2020.

Webinar on "Corporate Response to Global Climate Change & Sustainability" on 27.08.2020

**Outcome:**

99 final year business administration students were the beneficiaries of this webinar. Thus this webinar had successfully achieved the following outcome:

The students understood the concept of climate change and responsibilities of corporate sector towards climate change and the each individual in the society also.

**Respected Madam**

We were delighted to have you here among us as the speaker of a Webinar on "Talent management in the era of Industry 4.0" held on 23.09.2020. Your gracious presence and your valuable inputs really excited everybody who gathered on that occasion. We are immensely thankful for devoting some time for us from your extremely busy schedule. Indeed, your valuable sharing of knowledge and expertise definitely helped the participants to enhance their knowledge. We will be looking forward to having more of your presence in future events.
