Executive summary

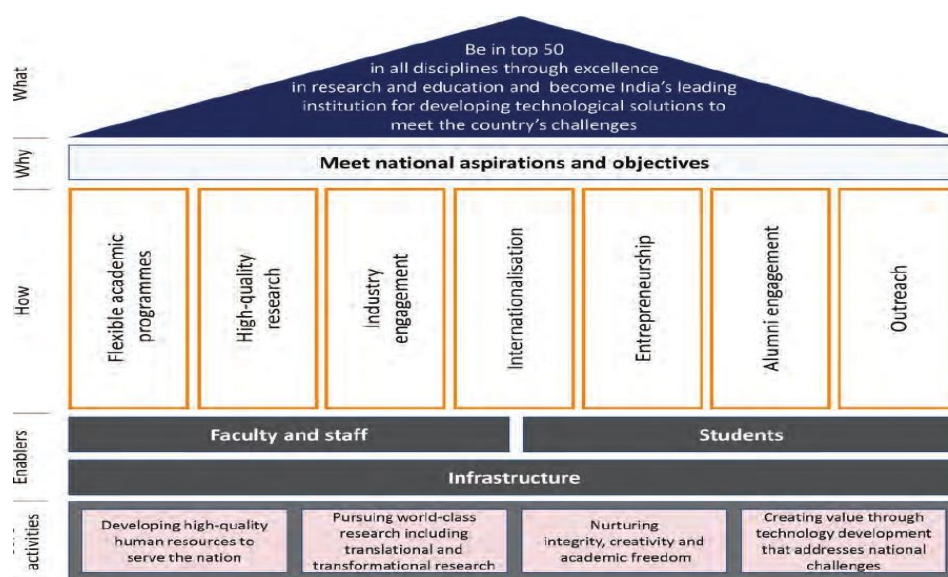

"Good fortune is what happens when opportunity meets with planning"

The **K.K.O Mohammed Ibrahim Educational and Charitable Trust** has established the college in the year 2001, Annai college of Arts and Science (ACAS) has grown and evolved in the midst of emerging concerns crucial to the future of higher Education in Annai Group of Institutions.

In the beginning 5 departments were established and around 157 students were admitted against the sanctioned intake of 250. Today we have 20 U.G departments, 11 P.G departments and 3 Research departments with over 5000 students and it brings waves of Success ... a journey ... and education yatra...

ACAS seeks to attract the best students from diverse backgrounds and offer them an excellent educational experience. It offers more flexibility and choice to the students in the academic programmes, an inviting and stimulating ambience for education and research, and a rich suite of extra- and co-curricular activities. Personality development, life-skills and career planning will be a part of the holistic development.

The broad goals of Prospective Plan 2025 are an affirmation of ACAS commitment to excellence in research and education, and the Strategic Plan consequently focuses on these core themes.
