Internal Quality Assurance Cell (IQAC)

Prospective plan for 2020-2025

Vision not appears in the eye: But appear in the mind.
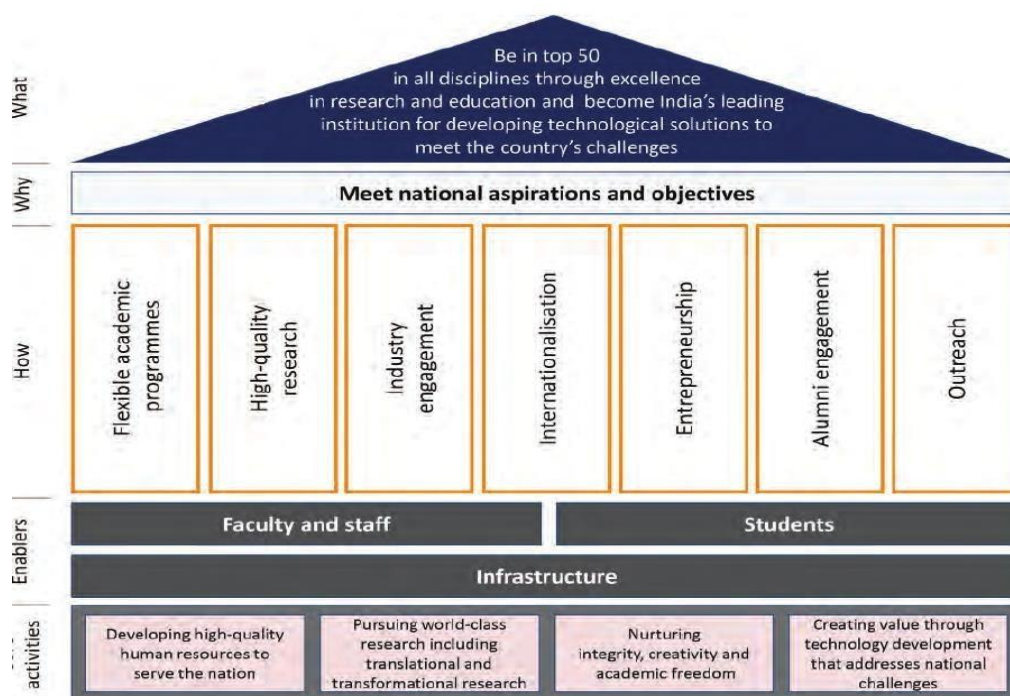

PLAN, EXECUTE AND ACHIEVE

Executive summary

"Good fortune is what happens when opportunity meets with planning"

The **K.K.O Mohammed Ibrahim Educational and Charitable Trust** has established the college in the year 2001, Annai college of Arts and Science (**ACAS**) has grown and evolved in the midst of emerging concerns crucial to the future of higher Education in Annai Group of Institutions.

In the beginning 5 departments were established and around 157 students were admitted against the sanctioned intake of 250. Today we have 20 U.G departments, 11P.G departments and 4 Research departments with over 4000 students and it brings waves of Success ... a journey ... and education yatra...

ACAS seeks to attract the best students from diverse backgrounds and offer them an excellent educational experience. It offers more flexibility and choice to the students in the academic programmes, an inviting and stimulating ambience for educa- tion and research, and a rich suite of extra- and co-curricular activities. Personality development, life-skills and career planning will be a part of the holistic development.

The broad goals of Prospective Plan 2025 are an affirmation of ACAS commitment to excellence in research and education, and the Strategic Plan consequently focuses on these core themes.

What	Be in top 50 in all disciplines through excellence in research and education and become India's leading institution for developing technological solutions to meet the country's challenges
Why	**Meet national aspirations and objectives**
How	Flexible academic programmes · High-quality research · Industry engagement · Internationalisation · Entrepreneurship · Alumni engagement · Outreach
Enablers	Faculty and staff · Students · Infrastructure
activities	Developing high-quality human resources to serve the nation · Pursuing world-class research including translational and transformational research · Nurturing integrity, creativity and academic freedom · Creating value through technology development that addresses national challenges

Annai College of Arts & Science
Quality Education for Today & Tomorrow
