GREEN CAMPUS INITIATIVES

Annai College of Arts and Science give more importance to green environment; it can be visible to everyone when they are entering our campus. There are different types of flora and fauna existence with 755 trees, 49 grasses, 102 herbs, 30 shrubs and 15 climbers which amounts to total 906 different types of flora besides fauna such as butterflies, insects, reptiles, birds and mammals. We have been conducting green audit as a part of environment audit for the past five years by an expert team from Centre for Environment Sustainability and Resource Recovery Management from Bishop Heber College, Trichy and they have certified that our stake holders has taken effort to create a strategic change in attaining holistic environmental sustainability. The above is an evidence for our green campus initiatives.

Our LEO Club Received "BEST SERVICE AWARD "from KUDATHAI KAVERI LIONS CLUB for Proper maintenance of 1000 Saplings for the year 2019-2020 which is provided by the Lions Club International Kumbakonam.
