STUDENT SUPPORT CELL Annual Report (2017-2018)

GRIEVANCE REDRESSAL & COUNSELLING CELL

INTRODUCTION

Counseling is a professional relationship that empowers diverse individuals, families and groups to accomplish mental health, wellness, education and career goals.

Counseling cell activities comprises the following:

- Personal & emotional Problems (Stress, Anxieties, Depression, Conflicts, Fear & Phobias)
- Adjustment problems (Peers, Family, & Friends)
- Health and Financial problems.
- Counseling the family members of students & friends, whenever it is mandatory.
- Personal introspection methodology.

Counseling greatly helps our students to improve their self-knowledge, well-being and attain clarity of mind and thus they are more inspired, motivated and organized.

VISION

To develop a Responsible and accountable attitude among the students.

MISSION

To look at the complaints lodged by the students as per their needs.

OBJECTIVES

- To make students understand the importance of education along with discipline.
- Closely watch and observe the students behavior inside the college campus and correct them whenever we find mistakes.
- To provide guidance to the students on various ways.
- To develop positive attitude and behavior towards the society.
- To help students to solve their personal, educational and psychological problems.
